

additional SAI experiment

1. Validation with internal Agency Personnel.

a) double blind ~~envelope~~ drawing reproduction
Using trapped double sealed envelopes, test
subjects ability at reproducing drawing.
That is, produce a set of simple line
drawing, place in trapped envelopes
and make a key which would be held
by T&D. Give envelope to subject
& ask him to reproduce. Take his
reproductions and envelopes back to
T&D. Verify envelopes have not been
opened and compare reproductions
with key

b) Include a set of drawings, figures etc
in SW. Determine his ability against
this target inside envelope and without
envelope
